Listening and connecting to our bodies by identifying where we are, the sensations in our body, and how our body reacts to stress.

- Goul- get to know sensations
- Paying attention to different parts, gradually, top to bottom.
- Scanning brings awareness to every part and sensation
- You can identity the points of your body causing you tension

Guided Imagery

- Get in a comfortable position and begin to imagine a peaceful place or experience, such as your favorite place in nature
- Concentrate on a specific object, sound or experience in your mind such as how it feels, what is sounds like, and what is looks like
- Tip: guided imagery videos can also be found on Youtube
